Thanks, Kacee. I talked with Glenn last week and he would like to have an extended meeting (2-3 hours) at PY with the IRIS staff. After our conversation I was thinking we might want to have our IRIS chemical managers attend in person or by video for the first part of the meeting.

Let's discuss at RT tomorrow and I will ask Stella to set up the meeting when she returns later this week.

Becki Clark
Acting Director
National Center for Environmental Assessment

Subject: IRIS 101 briefing - updated slides

In preparation for an IRIS 101 briefing that I understand is being scheduled for Glenn Paulson, I've updated the IRIS 101

briefing that we put together a few months ago . If you have time to take a look, I would appreciate any comments. I don't think the briefing for Glenn Paulson has been scheduled yet, so send me comments whenever you can get to this.

Thanks!

IRIS 101
